# RELIABLE BUSINESS

## Reliable and winning business solutions

" For us reliability is not just about professionalism but also means for ensuring success.  
Our reliable business solutions strive for our customers success "

### BUSINESS SERVICES

Savitr has the experience of developing a number of business solutions for disparate industries and business verticals. Savitr's team has an in depth understanding of the various business processes that are part of organizations. This experience of ours across industry domains is a source of strength to Savitr, as it can effectively leverage its experience to add value to your existing processes and business needs.

Savitr's consulting arm aims at providing a process backbone and framework for a business, concept or an idea so that quick and effective application development can be undertaken. Our business solutions are backed by a consulting approach that generates ideas, evaluates business processes and helps our clients in formalizing an idea, application, or a process.

Savitr offers its business solutions in the domains of business to business, business to consumer, content management, customer relationship management, enterprise resource planning and business efficiency optimization consulting which include enhanced workflow, process streamlining et al. Savitr's business solutions address all the facets and activities that define a given business.

Our business solutions span across and are not limited to the following domains:

- Collaborative Commerce
- Collaborative Content Management
- Custom Business Solutions

### APPROACH

At Savitr, our methodology reflects and supports our concept of a business service. The clarity we try to achieve for any given business service or situation guides our methodology and our processes are geared towards realizing this clarity. Our long-standing stand in the business-consulting domain, has led to a robust, time tested and live guidelines that dictate our structured methodology. The guiding tenets to our methodology involve the process of understanding, discovery, assimilation and proposition.

The name Savitr is rooted in the origins of creation and it symbolizes, epitomizes, and glorifies the primal life giving and life sustaining force that permeates the entire universe.

We have made a sincere, genuine and humble effort to capture the essence of this primal force. For us the essence translates to life giving and life sustaining solutions in the software services realm.

Established in 1997, Savitr Software Services (P) Ltd has provided all encompassing software solutions to customers across the globe by successfully maneuvering the changing dynamics of offshore software development
